

Project Design Phase-II

Data Flow Diagram & User Stories

Date	15 October 2022
Team ID	PNT2022TMID30898
Project Name	Personal assistance for seniors who are self-reliant
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. Android based medication reminder and adherence system is a system in which an alarm and notification system is implemented and also provides a platform for doctors, healthcare givers and patients' interaction.

User Stories :

Use the below template to list all the user stories for the product:
